Upper Egypt Assisted Reproductive Symposium

**An International Symposium In The Land of The Pharaohs**

## UEARS Vision:

**UEARS** aims to be the meeting point for the sharing of evidence-based practices by reputable national and international figures in the field of ART.

## About Us:

Dear Professors, doctors, and guests,

We are delighted to announce the launch of Upper Egypt Assisted Reproduction Symposia or **UEARS**.

As the name implies, **UEARS** consists of a series of symposiums with a vision of being the meeting point for reputable national and international figures in the field of ART in the land of Egypt.

The mission of **UEARS** is to link all areas of assisted reproduction and infertility with all their sub-disciplines by bringing the opinion of top leaders in the field to in-depth discussions on the unyielding issues in our rapidly progressing profession.

On the land of the thousand minarets, Cairo, and in one of its best year seasons, we have the honor of being the destination for our symposium entitled:

### New Horizons in ART

**“An International Symposium In The Land of The Pharaohs”**

The symposium will be held on February 4<sup>th</sup> and 5<sup>th</sup>, 2016.

Our first symposium will provide a series of specialized theoretical pieces and workshops, all targeted to meet the expectations of our colleagues in the practice of ART. Besides, we are very proud to declare the participation of a distinguished, specialized speaker in our first symposium.

We would like to invite you all to join us in modeling and bringing out of the shade such a challenging program and in contributing to a hopefully fruitful and energizing symposium.

*Thank you,*

*Yours Sincerely,*

*Organizing Committee*

*Dr. Hazem Abdelghafar    Dr. Hesham Kasem  
Dr. Mahmoud Hosny      Dr. Mohamed Fawzy  
Dr. Mohamed Sabry        Dr. Mohamed Yahya  
Dr. Mohamed Youssef*

**Egyptian**  
"International Speakers"

Dr. Ragaa Mansour

Dr. Mohamed Aboulghar

Dr. Gamal Serour

Dr. Abdel Hamid Wafik

Dr. Medhat Amer

Dr. Hossam Zaki

Dr. Hesham Al-Inany

Dr. Ali El-Saman

Dr. Eman El Gindy

Dr. Mohamed Ali Abdel Kader

Dr. Ossama Khalfallah

**Guest**  
"International Speakers"

Dr. Yacoup Khalaf

Dr. Mohamed Bedaiwy

Dr. Joyce Harper

Dr. William Hurd

Dr. Madelon van Wely

Dr. Jason Swain

Dr. Klaus Wiemer

Dr. Nabil Arrach

Dr. Antonia Gilligan

Dr. Ceana Nezhat

Dr. David Mortimer

Dr. David McCulloh

Dr. Fluco van der Veen

Dr. Thomas Ebner

Dr. Charles Bormann

Dr. Sebastian Mastenbroek

Dr. Sharon Mortimer

# UEARS learning objectives:

- \* Covering the new concepts and techniques in ART.

- \* Explaining IVF current laboratory state and its challenges.

- \* Augmenting evidence-based practice in the field of ART.

- \* Establishing fundamentals for ART based on clinical trials.

- \* Learning how to design and publish influential clinical trials.

***UEARS** is thankful for your attendance and contribution.*
